

DECK-O-SEAL

offers the concrete industry a complete range of beautiful decorative concrete sealing compounds, plastic deck drainage systems, and self-leveling, non-sag polysulfide joint sealants (one- and two-part). These come to you from 12 factory locations as well as a network of distributors throughout North America. DECK-O-SEAL is an exclusive division of W. R. MEADOWS.

BLUE RIDGE FIBERBOARD

is committed to providing architects, engineers, and contractors with the best quality products possible. BLUE RIDGE FIBERBOARD is the largest U.S. manufacturer of fiberboard products, serving the commercial roofing industry with cost-effective and innovative coverboard solutions as well as the commercial and residential sound control and exterior sheathing markets. It is the mission of BLUE RIDGE FIBERBOARD to not only offer a superior product at a reasonable price, but to continue the W. R. MEADOWS tradition of quality, service, and integrity.

W. R. MEADOWS®

The W. R. MEADOWS family of companies are members of BSD SpecLink, which is a master guide specification writing, management, and production system with built-in intelligence designed to help dramatically speed up editing tasks and reduce specification production time while minimizing errors and omissions. Combined with the industry's most comprehensive and up-to-date master database, SpecLink-E enables users to accelerate specification development with unsurpassed accuracy and integrity. As a user of this system, make sure W. R. MEADOWS is a part of all your project details.

W. R. MEADOWS, BLUE RIDGE FIBERBOARD, and DECK-O-SEAL products are available on SpecLink to help specifiers easily manage their projects. Products are available in the following MasterFormat categories:

- 03 01 00 MAINTENANCE OF CONCRETE
